The Connecticut Concrete Promotion Council [CCPC]

Breakfast Program: June 29, 2016

Build with STRENGTH Campaign

Concrete is the Answer!
The benefits of building stronger, more durable construction that will save lives while cutting cost over time.

The National Ready Mixed Concrete Association [NRMCA] is embarking on a national campaign to educate the design/build and code communities about the benefits of concrete construction in the low to mid-rise sector and in general.

Join us for a CCPC Meeting

Wednesday, June 29, 2016 , 8:30 am

912 Silas Deane Highway, Suite 112, Wethersfield, CT
