

Asphalt Plant/ Lab QC Technician - September 2015

O&G Industries, Inc. is a 90 year old, diversified construction and building materials company based in Torrington, Connecticut, with facilities throughout the State. We are seeking a qualified Asphalt Plant/ Lab Quality Control Technician for our Asphalt Division. Main location is Bridgeport, CT, travel to all other plant locations as needed. The Asphalt Plant/ Lab QC Technician is responsible for the testing of hot mix asphalt and aggregates to ensure adherence to Federal, State, and/or customer specifications. This position works closely with asphalt plant and lab personnel and governmental agencies.

Responsibilities:

- Perform sampling and various lab tests on hot mix asphalt; such as volumetric measurements and liquid content.
- Perform sampling and testing of stock pile aggregates; including gradation, gravity, absorption and crush counts.
- Complete all reports on test results.
- Communicate results of testing to Materials Operations Supervisor.
- Investigate customer complaints and troubleshoot all material problems.
- Other duties as assigned.

Desired Knowledge and Skills:

- Knowledge of hot mix asphalt quality control data and mix designs.
- Experience with various hot mix asphalt and aggregate lab equipment such as gyratory, apparatus and ignition furnace.
- Familiarity with paving process.
- Ability to work with large volumes of numerical data.
- Strong attention to detail.
- Problem solving.

Work Experience and Education:

- 2+ years' experience with hot mix asphalt quality control.
- Certifications: NETTCP Plant and field certifications.
- High School diploma or equivalent.

Physical Requirements:

- Extensive standing and walking.
- Occasional climbing on stairs/ladders.
- Lifting up to 100lbs.
- Working with and near moving mechanical parts.
- Interaction with heating devices; such as hot plates and electric ovens.

Please send resume and salary requirements to Human Resources, O&G Industries, Inc., 112 Wall Street, Torrington, CT 06790 or email to careers@ogind.com.
