

# Confined Space & Trenching & Excavation

**Tuesday, June 12, 2012**

**7:30 am - 6:00 pm | CCIA Training Room**

*912 Silas Deane Highway, Wethersfield, CT 06109*

If some of your employees need both classes, this is a good opportunity to have them complete two classes in one day. If they need just one of the classes, they can finish it up in half-a-day.

## Confined Space | 7:30 am to Noon

- This course will answer the following compliance questions:
  - What are the minimum requirements for a confined space program?
  - Are all trenches classified as confined space?
  - Can space which is properly designed for occupants be a confined space?

## Trenching & Excavation | 1:00 pm to 6:00 pm

- This course will answer the following compliance questions:
  - What criteria does OSHA use to determine who is a Competent Person?
  - What area of construction must a competent person know and what are his responsibilities?
  - Can a contractor legally fabricate trench boxes and other shoring systems?

### Instructor: Dan Gorman

- Owner/President of **Safe at Work**
- OSHA Outreach Instructor for the past 20 years.

### Cost for Both Classes

Members: **\$200.00**  
Non-Members: **\$250.00**

### Cost for One Class

Members: **\$100.00**  
Non-Members: **\$125.00**

Cost includes 6.35% sales tax, course materials, coffee, pastry, lunch, and certificate.
