Nothing Hits the Ground

“Nothing Hits the Ground” is an initiative the Turner CT Safety Team developed to address and mitigate loss attributable primarily to slips/trips/falls and material handling. These types of losses usually result in strains/sprains, fractures, etc and are among the leading loss factors in our industry and certainly are the most prolific in occurrence. The program places a strong focus on material handling and fabrication techniques, along with emphasis on housekeeping and even the “E” word….ergonomics.

The Safety Committee will meet immediately after the Roundtable.

12:00 noon, Tuesday, February 8, 2011
CCIA, 912 Silas Deane Highway, Wethersfield, CT
Lunch will be provided

Space is limited so pre-registration is required. Please register by Monday, February 7, 2011.
