### TRANSPORTATION ADVOCATES TO RELEASE CANDIDATE BULLETIN

*Document advises gubernatorial candidates on transit, infrastructure, and funding issues for the fall election cycle and beyond*

Hartford, Conn.—On Tuesday, a broad coalition of transit and transportation advocates will release their 2014 Candidate Bulletin, *Moving Transportation Forward in Connecticut*.

The bulletin asks the gubernatorial candidates and other public policy makers to address funding, safety, capacity, and project development challenges facing Connecticut's transportation systems. Several coalition members will discuss the major priorities that the group has identified at the press conference.
