

July 10, 2012

Dear Employer:

We are pleased to invite you to participate in an exciting networking event that we will be hosting next month. On Friday, August 10, 2012, we hope that you will join us at Western Connecticut State University in Danbury, Connecticut, for a jobs fair. As a valued member of the business community and an employer, we encourage you to be a part of this unique opportunity to meet job seekers from throughout Western Connecticut.

In collaboration with the Northwest Regional Workforce Investment Board, The Workplace, the Connecticut Department of Labor, the U.S. General Services Administration Regional Office and other chamber and community leaders, we are inviting a diverse representation of businesses to participate in this jobs fair. You will have the opportunity to showcase your business to the community and to highlight your hiring needs to a variety of skilled individuals seeking employment.

As elected officials, we know that access to employment remains a problem for too many Americans. Though we have seen some improvement in job numbers, we know that far too many people in search of work cannot find it. It is incumbent upon us to do everything we can to ensure that job seekers find jobs and employers find employees. We encourage you to join us in this effort which promises to be productive and fulfilling for all involved.

We have enclosed an exhibitor registration form with this letter. We hope that you will complete this form and return it via email by Friday, August 3, 2012 to Lee Reynolds in Congressman Murphy's office at lee.reynolds@mail.house.gov. If you have any questions please email Lee or call her at (860) 223-8412.

Thank you for your attention to this invitation, we look forward to seeing you on August 10th.

Every best wish,

CHRISTOPHER S. MURPHY
Member of Congress
