

THE CCIA SAFETY COMMITTEE PRESENTS

First Aid + CPR AED Training

Get Certified in CPR and First Aid

About the HSI First Aid/CPR AED Course

This four-hour Health & Safety Institute course has been approved by the HSI Medical Advisory Board and reviewed by the HSI Advisory Council. It reflects the latest resuscitation science and treatment recommendations published by the International Liaison Committee on Resuscitation (ILCOR). It also conforms with the 2020 American Heart Association (AHA) Guidelines Update for CPR and ECC and the annual Guidelines Update. Certification period: 2 years from month of issue.
