

Manafort Brothers Incorporated

Controller

Manafort Brothers is seeking an individual for the position of Controller, reporting to our CFO. You will be responsible for monthly closing and preparation of internal and external financial reports. Position will support and implement processes to guide all company personnel in the continued advancement of Sage (Timberline), TimberScan and HCSS in daily management of our projects. This position is the go-to administrator for Sage (Timberline) and has extensive interaction with our billing, job costing, accounts payable and union payroll teams. Use of Excel and Word is required to efficiently complete responsibilities. Knowledge of construction accounting and Sage (Timberline) report writing is a plus.

Candidate should have a B.S. in Accounting and solid experience in financial reporting, Sage (Timberline) or other ERP systems. Strong management experience, interpersonal and organizational skills are essential. Candidate must be able to multitask while maintaining strong attention to detail. AA/EOE M/F/Disability/Vet

The company offers a competitive benefits package.
