Results of CTDOT's Work Zone Speed Safety Camera Program

Presented by: **John S. Dunham, P.E.**, Transportation Construction Administrator, Connecticut Department of Transportation

Beginning in April 2023 and ending late in the year, CTDOT conducted a pilot program called, "Know The Zone: Speed Safety Camera Program," which featured using radar and camera technology to track driver speeds in various construction work zones around Connecticut. For this Safety Roundtable program, CTDOT's administrator of the program, John Dunham, will describe how the program was implemented and will speak on their data collection results. CTDOT will also present their findings from the program to the General Assembly during this session.

Topic: Results of CTDOT's Work Zone Speed Safety Camera Program
