

Connecticut Ready Mixed Concrete Association

a division of The Connecticut Construction Industries Association, Inc.

MEMBERSHIP INFORMATION AND APPLICATION

ABOUT CRMCA

The mission of CRMCA is to promote the use of ready mixed concrete and innovative construction products and technologies.

- CRMCA events provide social and educational opportunities for members to discuss and learn about the latest trends and technology in the ready mixed concrete industry.
- CRMCA offers concrete certification programs through the American Concrete Institute.
- CRMCA works through the National Ready Mixed Concrete Association on federal and local industry matters.

Sponsored Events & Networking

- NRMCA Build with Strength Campaign
- Co-Sponsor Joint Forces Luncheon
- Concrete seminars for architects, engineers and contractors
- NRMCA presentations and webinars
- On-site guided construction tours
- Social networking events
- Diggers, Mixers, Fixers Annual Golf Tournament

Marketing and Member Support

- Publicity and press releases
- Dedicated website
- Targeted email campaigns

Technical Training: ACI Courses

- ACI Field Technician Certifications
- ACI Flatwork Finisher Certification
- ACI Adhesive Anchor Certifications
